

Review Course with Workshops in FREMONT

for *April 2010* PROFESSIONAL ENGINEERING Exams

EIT

*FUNDAMENTALS of
ENGINEERING*

PE

*PRINCIPLES & PRACTICE
FOR CIVIL ENGINEERING*

GUARANTEE OF PASSING

We are so sure of the quality of our course, we GUARANTEE that if you attend every class and workshop, YOU WILL PASS THE EXAM. If you don't, you can take the very next course and workshops *absolutely free!*

CRITERIA		Excel Test	PPI
Are multi-day problem-solving workshops included in the course?		YES	NO
Are there group discounts?		YES	NO
EIT	Course Hours	85 hours	48 hours
	Early Registration Course Fee	\$745	\$1000
PE (Civil)	Course Hours	77 hours	45 hours
	Early Registration Course Fee	\$945	\$1100

“The EIT/FE isn't about how well you know the material, it's about how quickly you can solve the test problems. I wasn't prepared to solve the problems after I took the PPI course, I was after the Excel Test course.” - Skot, Fairfax, CA

EIT Review Course with Workshops

This 85-hour review course and workshops (including an 8-hour mock exam) will fully prepare you for the **Fundamentals of Engineering (formerly EIT)** examination, required for registration as a Professional Engineer. Selected topics from the following subjects will be covered in the course: Mathematics, Chemistry, Fluid Mechanics, Engineering Economics, Statics, Thermodynamics, Dynamics, Mechanics of Materials, Computers, Ethics, Electrical Circuits, Biology, Probability & Statistics, and Material Science.

FEE: \$745 for registration and payment received by January 23rd. After this date, the fee is \$795.

DATES: Feb 6, 7, 20, 21, 26, 27, 28, March 13, 14, 20, and 21

TIME: 10 am – 6 pm (Saturdays) and 8 am – 4 pm (Sundays)

LOCATION: South Fremont/Milpitas, CA

PE(Civil) Review Course with Workshops

This 77-hour review course and workshops will fully prepare you for the **Principles & Practice** Examination in Civil Engineering. Selected topics from the following will be covered: Traffic & Transportation Systems, Structures, Geotechnical, Foundations & Retaining Structures, Concrete & Steel Design, Timber & Masonry, Hydraulics, Pumps, Groundwater, Hydrology, Water & Wastewater Treatment, and Construction.

FEE: \$945 for registration and payment received by January 23rd. After this date, the fee is \$995.

DATES: Jan 30, 31, Feb 6, 7, 12, 13, 14, 20, 21, 27, and 28

TIME: 10 am – 6 pm (Saturdays) and 8 am – 4 pm (Sundays)

LOCATION: South Fremont/Milpitas, CA

** The civil engineering PE examination is in a breadth and depth format. All examinees work the breadth (AM) exam and one of the depth (PM) exams. The breadth exam contains questions from all areas of the exam. The depth exams focus more closely on a single area of engineering. The five depth exams in the Civil Engineering area are in **Water Resources & Environmental, Geotechnical, Structural, Construction, and Transportation.**

**For a course at your company's site,
please contact the Excel Test Course Coordinator at
engineering@exceltest.com or call (510) 490-7000.**

Just a Few of the Testimonials about the Course Instructors

“Being out of school for nearly 30 years, it would have been impossible for me to pass without taking the course you offered.”

Steve, Hattiesburg, MS

“Your seminar was crucial for the test. Me, my sister, and my brother-in-law passed...it was mostly what we learned from the seminar.”

Maria, Weston, FL

“I have to tell you again that your course was fantastic and thanks to it I passed my EIT exam.”

Pedro, Fremont, CA

“I believe this is the best course on the market.”

Sam, Tallahassee, FL

“I have a BS Engineering Technology degree and have been out of school since 1968, you assured me that the course could help me pass. It did.”

Edward, Fort Worth, TX

“I was so inspired by the FE course, I took the PE course. Both courses were focused on passing the exams. The course material proved to be my number one source.”

Chad, Baton Rouge, LA

“After I took the class I was very confident that I would pass, and I did – first try.”

Ron, N. Charleston, SC

“Without your course, there is no possibility that I could have passed.”

Jeff, Emerald Isle, NC

“With your support, guidance, and tutelage, I actually passed the exam. All in all, I feel that your teaching program is excellent.”

Mario, San Francisco, CA

“The course and workshops are excellent. They really get you ready for this exam.”

Annie, Sacramento, CA

“I would not have passed without your instruction...I passed the first time.”

Paul, Delray Beach, FL

“I passed the Civil PE exam...I owe it all to your course...It did cost me a lot of money flying from IL every weekend, but it was well worth it. I only wish I had taken your review course sooner.”

Mike, Havana, IL

“I believe this is the best tool on the market.”

Rossio, Tucson, AZ

“I would have paid twice the amount to be so well prepared to take the PE exam.”

Chris, Port Charles, FL

• **INSTRUCTORS:** Our instructors come from the industry and academia, and are highly qualified in their specialized fields. Each course is taught by several instructors who have taught EIT/PE courses for many years at various companies, including Central and Southwest Services, Bechtel, Kellogg, Fluor, Sirmine, Lummus, Ericsson, Texas Instruments, Foster Wheeler, TxDOT, Virginia DOT, Utility Engineering, CPS Energy, and the City of Austin.

• **GUARANTEE OF PASSING:** If you attend every class of the review course and workshops and don't pass, you can repeat the next session of review course and workshops **absolutely free**. To get the guarantee for the FE/EIT, you must take the next actual examination given after the completion of the course. For the Principles and Practice examination, the actual examination must be taken within nine months after the completion of the course. The free repeat is limited to only one time, and it must be used in the next course offered after the results of the actual examination have come in. Subsequent repeats within 18 months will be at 50% of the regular fee. No course is guaranteed to be offered at the previous location or every time the actual examination is given.

• **EXAMINATION INFORMATION:** The next 2010 FE/EIT exam is on April 17, and the next PE exam is on April 16. To obtain registration information, contact the CA State Board for Professional Engineers & Land Surveyors at 2535 Capitol Oaks Dr., Ste 300, Sacramento, CA 95833. Phone: (866) 780-5370. Fax: (916) 263-2246. Website: <http://www.dca.ca.gov/pels/>
